### 2. Principals Message:

If a student is a traveller then education is its journey, opportunities are its milestones and service to humanity is its destination. The students of 'ABHIGYANAM', endeavour in its journey and we make sure that he or she reaches the destination successfully and steps out of our campus prepared and armed with both elementary and applied knowledge and practical skills. Academic development is one facet of ABHIGYANAM. Hence we focus on education that goes vast beyond the boundaries of academic aims. A pivotal role of ABHIGYANAM lies in shaping the personality of a child into a healthy mind and a happy soul who is not only equipped with 21st century skills and aptitudes required for academic excellence but also helping them face the challenges of life in a balanced and harmonious way.

### 3. Director's Message:

If you are planning for a year, sow rice.

If you are planning for a decade, plant trees.

If you are planning for a lifetime, educate people.

ABHIGYANAM has planned for a lifetime and hence is ready to educate passionate young minds with academic, moral and spiritual lessons and empower them to be lifetime learners, critical thinkers and productive members of an ever-changing global society. Starting with the higher secondary section in 2006, ABHIGYANAM has made steady progress in the last few years, providing up to Higher Education, Degree Level and now has started to make progress by imparting education from the preparatory stage onwards making a strong presence in the education sector.

Having equipped with a curriculum designed to offer quality education for holistic development, a set of highly educated, well-experienced, professionally qualified teachers to lead the students on the right path, an infrastructure to provide the best opportunities, an ambience for joyful learning, ABHIGYANAM has emphasized on imparting child-centric education and imbibing human values.
